### Profile

I'm 20 years old student who wants to learn more. I'm an honest and trustworthy person who is not scared to ask for help if needed. I'm aiming to become a software developer but i need more experience.

### Education

**Programme in Information Technology, Option of Software Development, OAMK, University of Applied Sciences, Oulu**

August 2022

I'm currently studying software development at Oamk. I'm first year student so i'm still learning.

**ICT-Technician, OSAO, Vocational School, Oulu**

August 2018 – May 2021

I studied basic skills of electrician. I also studied server maintenance and network installing.

### Internships

**Device installer, Power, Limingantulli, Oulu**

October 2020 – November 2020

I prepared devices for customers that they bought. Transferred data though phones. Prepared computers for customers liking and I calibrated TV's.

**Device installer, Power, Limingantulli, Oulu**
